

USS Fundraising Website - Content & Visual Guide

Updated donor-first implementation reference for the final revision package.

Primary direction

USS is building the resources to serve today - and the infrastructure to serve tomorrow.

Homepage action	Destination	Purpose
SUPPORT USS TODAY	/donate?fund=today	Current operations, services and organizational capacity
HELP BUILD THE FUTURE	/donate?fund=future	Future Campus, developing housing pathways and infrastructure

Two-category fundraising model

- Fund USS Today: program support, essential services, transportation, technology, staffing, outreach, volunteer support, administration and fundraising capacity.
- Build USS Tomorrow: property acquisition, \$4M Campus Campaign, developing housing pathways, Campus facilities, transportation and technology infrastructure, program growth and regional expansion.

Homepage fundraising content

- Current Funding Priorities: Technology & Digital Infrastructure, Transportation, Program Support, Organizational Capacity and Community Outreach.
- 10,000 PEOPLE. \$100 EACH. \$1 MILLION. appears prominently on Home and Donate with functional sharing.
- The \$4M Campus Campaign remains a major future-development section without becoming the only homepage identity.

Brand and typography

Element	Approved implementation
Primary logo	Exact attached USS monogram; no redesign or alternate visible logo
Logo size	52px desktop, 46px tablet, 42px mobile; width auto
Body	18px desktop, 17px mobile; 1.65 line-height
Navigation / buttons	16px minimum desktop; 18px mobile navigation
Headings	H1 48-64px desktop and 36-44px mobile; responsive H2/H3 scale

Current service and future-development accuracy

Current copy may describe essential services and direct community support. Housing pathways and Campus capacity must remain planned, developing, fundraising-stage or dependent on resources, property, partnerships and approvals.

Area	Required treatment
Homepage Stable	Developing pathways toward long-term housing, independence and opportunity.
About	Exact approved mission: essential services and direct community support while working toward expanded housing pathways.
Pathways to Home	Development and fundraising stage near the top of the page.
Bridge to Stability	Current support plus organizational capacity being strengthened as resources allow.
Campus	Planned, intended, future-oriented and subject to funding and approvals.
Impact	Responsible measurement after underlying data is reviewed and confirmed.
Footer	Expanding hope, support and pathways toward housing stability.

DAF and Endowment

- The dedicated /daf-endowment page remains complete: hero, legacy introduction, DAF governance, benefits, Endowment sustainability, strategic impact, future Campus, giving steps, contact, FAQ and legal transparency.
- DAF recommendations concern timing and internal allocation, remain subject to USS review and approval, and do not remove USS control or discretion.
- Strategic Impact cards use unique descriptions for Housing Stability, Mobile & Community Support, Essential Services, Program Growth, Emergency & Crisis Support, Future Infrastructure and Organizational Sustainability.

Major Gifts and long-term giving

- Campus, Housing, Transportation, Technology, Services and Organizational Capacity use unique donor-facing descriptions.
- Discuss Legacy Giving is a real email action in DAF, Ways to Give and Major Gifts.
- Ways to Give and Major Gifts retain direct DAF and Endowment access; Donate keeps a lower-page long-term callout.

Shared UI and contact behavior

- Header, mobile menu and footer reuse one Logo component.
- Buttons, cards, social links, carousels and DAF FAQ controls reuse shared components.
- Facebook and Instagram appear on Contact and in the desktop/mobile footer with recognizable icons.
- Phone and email are clickable in Contact, Founder, Footer and DAF contact areas.

Image and accessibility QA

- Founder portrait is the client-provided image with accurate alt text and preserved proportions.
- The Campus uses clean representative photography with no unrelated branding and no claim of a completed USS property.
- All informative images have descriptive alt text and intrinsic dimensions; inactive carousel slides are hidden from assistive technology.
- Carousel previous and next buttons use explicit aria-labels and visible focus states.

Motion and performance

- Animation is limited to transform and opacity where practical.
- Carousels pause on hover and focus and do not auto-rotate for reduced-motion users.
- Only the first hero image is eager/high-priority; later images are lazy-loaded.
- No splash screen, artificial loader or heavy animation library is used; intrinsic dimensions reduce layout shift.

Responsive QA matrix

Viewport	Priority checks
320px	Logo, menu, hero title, CTA stacking, cards, footer EIN
375px	Funding paths, priorities, \$100 campaign, social icons
430px	Founder contact, DAF headings, long-term cards
Tablet	Grid transitions, logo, campaign and forms
Laptop	Navigation collapse and donor-first first viewport
1440px and larger	Line length, hero balance, cards and footer columns

Routes and metadata

Route group	Verification
Home / About / Our Work	Donor-first hero, mission, motto and future-language accuracy
Pathways / Bridge / Campus	Development-stage and current-support distinctions
Impact / Stories / Partner	Donor-facing copy and unique descriptions
Ways / Donate / Major Gifts	Giving hierarchy, two categories, DAF and legacy access
DAF / Contact / Privacy / Terms	Complete source content, clickable contacts and current providers

SEO title standard

Page	Title
Home	USS Fundraising Serve Today. Build Tomorrow.
About	About United Social Services Inc. (USS)
Ways to Give	Ways to Give USS
Donate	Donate to United Social Services USS
Campus	\$4M Community Housing & Services Campus USS
Impact	Impact & Stewardship USS
DAF	Donor-Advised Fund & Endowment Giving USS

Final release standard

Production build, lint, automated route tests, exact-logo hash comparison, internal and external link audits, image-reference checks, PDF rendering and final ZIP integrity must pass before delivery.
