

USS Website Links & Contact Integration Guide

Current giving, needed-item, social, founder and contact destinations.

Approved donor routing

The website uses exactly two major fundraising paths. Zeffy remains the visually prominent general giving method.

Path	Route	Required designation
Fund USS Today	/donate?fund=today	Current Needs / Where Most Needed Today
Build USS Tomorrow	/donate?fund=future	Future Needs - Campus, Housing & Future Infrastructure

Implementation rules

- The homepage hero routes Support USS Today to the current fund and Help Build the Future to the future fund.
- Current operational capacity belongs under Fund USS Today; future infrastructure belongs under Build USS Tomorrow.
- Give \$100 and Give \$100 Monthly use the general Zeffy form without unsupported prefill parameters.
- Invite Someone Else uses Web Share when available and copies the campaign URL as fallback.
- Appropriate external links open safely in a new tab with noopener and norereferrer.
- Internal navigation stays in the same tab; no empty or placeholder destination is used.

Official logo

The exact client-supplied USS monogram is the single visible primary logo in the desktop header, mobile header, shared footer and metadata assets. It is rendered with automatic width at 52px desktop height and 42px mobile height.

Shared footer

The shared footer contains the approved logo, clickable address, phone and email, Facebook, Instagram, USS LinkedIn, DAF & Legacy Giving, Privacy, Terms, and the following status line:

United Social Services Inc. (USS) is a tax-exempt 501(c)(3) nonprofit corporation. EIN: 82-5444257.

Final link QA

- Verify the two donation query routes independently.
- Verify every provider, social and founder link.
- Verify Facebook and Instagram appear on both Contact and the sitewide footer.
- Verify no outdated retailer, giving-form or internal fund destination remains.
